Mrs. Effa Manley,
Newark, N. J.,

Dear Mrs. Manley:

Charleston certainly did mess up everything for us. I called up Dr. Williams in Orlando and he wanted us to get a club and come over anyway. So I did. I got Daytona Club and Mackey gave him a pitcher. But just at game time it started raining. I think the game would have been good and we would have made good, but we expect these things in baseball.

And about Sunday's game, I sent a wire to everyone I could think of and those that couldn't come wired me back collect. It costed over \$5.00. I called Mr. Greer in Jacksonville, but he couldn't help me out. So I got in touch with a booking agent in Hollywood, Florida and he got the West Indies Royals from Miami. Then I had stickers made to cover the cards. I

In the meantime, I booked a game for Thursday. It won't be much, but every little will help, as it will be our last game we can't go wrong.

This boy Fraizer is married and has one kid and he is also working. So, I don't think we will bring him unless you can't get the boy from N. Y.

I am planning on breaking camp on Friday Morning, as our room rent is paid up. We will go to Atlanta Friday night. It is 450 miles. Then we will go to Birmingham Saturday. I just heard from Mr. Hayes asking for some publicity. I am sending him some. He also has a game for Monday night. This game is 50/50. (Mon.) The game yesterday was played well, even though we did not make any money. The weather was cool but the boys looked good. Dr. Williams wants us to come back to Orlando Friday night. I did not accept it. This would mean that we would have to come back and pack up to go and it would be about 5 O'clock, and that would make us ride two nights.

Mrs. Manley, the parkman has been very nice to the boys. He dried their clothes and gave them plenty of hot water. I would like to give him something, but I can't unless you say so. As it stands now, I will owe one week board, and two rooms rent for one week, which the total amount will be about \$85.00. I have only \$70.00 left. You will have to send me some money to get to Birmingham as I can't depend on the little game Thursday. We might not play it. Hobgood got hit with a ball back through the box on the neck. I carried him to the Doctor and he wouldn't let him practice for four days, but he is allright now. ~~I think~~ I think I have bought enough medicine. The boys are over their cough and colds. I had to tell them if they got anymore medicine, that it would be charged to them. They all wanted laundry money today, but I told them I didn't have it, and if we make good in

Birmingham I would give them \$1.00. You can see on my report that I gave them \$ 2.00 since we have been in camp.

I just received your letter of the 25th. We will see what we can do in Raleigh with Worthy, the short-stop. That is the boy that I went to get last year.

I guess this is all, hoping we will have a good day in Birmingham. Give my regards to Cap. Tell him that he missed a lots of headaches this trip. I will write you again before leaving camp. You can get the rooms in Norfolk for the 7-8th. We will go from High Point to Raleigh and go to Norfolk after the game. Write me special Delivery. Mail is very slow down here.

Yours very truly,

Bill White.

P. S. Thaddis played against us yesterday. He wants a job. Mackey says that he would like to have him. The Grays are after him. Hubert pitched against us. This is for the paper.
